

Dear Sir/Madam,

The two Marist schools in Hong Kong, *St. Francis Xavier's College* and *St. Francis Xavier's School (Tsuen Wan)*, have nurtured many who have contributed to the society in different sectors: arts & culture, education, medical, religious, commercial, civil services, to name but a few. Some have even extended humanitarian efforts to minorities, to the disadvantaged, or to refugees in war-stricken lands. We're proud of the brightness of mankind well exemplified by them to the society and the world.

To showcase our schools' identity, and to unite and reinforce the brotherhood of all ex-students, the Marist Schools Alumni Association (HK) has jointly organized an event "**SFX Carnival**" together with St. Francis Xavier's College Alumni Association Ltd. (SFXCAA) and St. Francis Xavier's School (Tsuen Wan) Alumni Association (SFXSAA). The event will be held on **December 18, 2011 (Sun) at Rotunda 3, 6/F, HITEC, Kowloon Bay**, and in the form of a variety show unprecedentedly transcending teachers & students from both Marist schools, old boys from different decades, and myriad modes of performance. This very event will not only evoke a sense of reminiscences and nostalgia from all old boys, but also promote a fresh outlook and school image to the general public.

The two shows of the day, a matinee and an evening show, anticipate a cumulative audience and participants at the size over 3,000. An exquisite brochure will be published to commemorate this occasion and raise funds for the running of the event. We are now calling for your patronage to subscribe advertisement appearances in the brochure. Be it in the form of a commercial print-ad, or simply a personal goodwill message, you're most welcome.
